

2025 Mt Gravatt Show

Vendors Terms and Conditions Agreement

TERMS OF REFERENCE

Throughout THESE Terms and Conditions, the following terms will apply;

Allocated Stall – The area of the Showgrounds allocated to the Vendor for the duration of the show.

Committee – Mt Gravatt A H & I Society Management Committee

Show – Mt Gravatt Annual Show

Showgrounds – Mt Gravatt Showgrounds

Show Society – Mt Gravatt A H & I Society

Vendor – Any organisation, company or firm, its employees and/or agents taking part in the Mt Gravatt Show.

Vendor Coordinator – Committee member allocated to oversee the Vendor management process.

TERMS AND CONDITIONS

Payment

1. Once Vendors have received their confirmation, the Vendor must submit any extra updated documents eg public liability or food license and pay in full by the dates listed in Appendix B.
2. If a Vendors fee and required documents are not submitted by close of business on the date listed in Appendix B, the Vendor's application will be cancelled and the Committee will offer the stall site to another Vendor on the wait list.
3. An Allocated Stall location can be cancelled prior to the Show, up to close of business on the withdrawal date listed in Appendix B. A cancellation administration fee of 30% will be charged. Cancellations after the listed date will be forfeited.

Tickets and Car Passes for Workers

4. Vendors will be provided with:

Stall Size	No of Passes
3m x 3m	4 x single Day Show Passes
Each additional 3m frontage	An additional 2 x single Day Show passes

5. Tickets will be issued in the second week of July via an email address Mt Gravatt A, H and I Society support@iwannaticket.com.au. If you do not receive your tickets, please check your junk mail before contacting us.
6. Successful Vendors can purchase additional adult passes for \$10 per single Day Show pass. To purchase additional passes please specify the number in the application form and we will contact you to arrange these tickets.
7. Vendors will not be provided with Car Parking Passes.
8. Some car parking spaces are available for \$5 per vehicle per day. Please note that car parking spaces within the Showground Precinct are limited so it is a 'first in best dressed' allocation principle.

Bump in and Out

9. All Vendors are required to make themselves known to the Vendor Coordinator\Show Office before setting up their stall. Allocation of space is determined by:
 - a. Type of food sold\service offered (placing similar businesses in separate areas and near appropriate exhibitions and events, guided by the descriptors you listed in your application), and

- b. available power supply around the showgrounds
- c. size of vehicle\stall and
- d. order of application date (on a first in basis).

10. For those returning, the sites allocated in 2024 may have changed from last year. It is the Show Society's discretion to move any Vendors to a site deemed appropriate.

11. All stall sites are marked out in advance. All stall sites are marked based on the information provided on the Vendors Application Form.

As mentioned on the application form "All stall site calculations are in whole metres only. **This must include all guide ropes, drawbars, steps, awnings etc.**" Vendors will receive an invoice for any additional space being used. Some locations are a tight fit and you may need to be relocated if you do not declare the true size required for your site.

12. Vendors are allowed to bump in and bump out their stalls at the times listed below, unless arranged with the Show Society Vendor Coordinator in advance.

All Vendors must enter via Broadwater Road entry.

AUSTRALIAN BUTTON BATTERY STANDARDS

<https://www.qld.gov.au/law/your-rights/consumer-rights-complaints-and-scams/product-safety-for-consumers/safety-advice-and-warnings/around-the-home/button-batteries>

As of 22nd June 2022, businesses that supply button or coin batteries, or products containing button or coin batteries, in Australia must comply with these standards.

The new safety and information standards require manufacturers to:

- Create secure compartments so children can't access the batteries.
- Conduct compliance testing to ensure the battery is secure.
- Provide child resistant packaging for button batteries.
- Place warning labels and alerts on products that contain button batteries, including on packaging and instructions.
