DEPARTMENT OF AGRICULTURE & FISHERIES REGULATIONS

The following conditions will apply to stock and vehicles moving on to the Mt Gravatt Showground. All Queenslanders have a 'general biosecurity obligation' (GBO) under Queensland's Biosecurity Act 2014. Not complying with the GBO is an offence.

This means that everyone is responsible for managing biosecurity risks that are:

- under their control and
- that they know about, or should reasonably be expected to know about.

Under the GBO, individuals and organisations whose activities pose a biosecurity risk must:

- take all reasonable and practical steps to prevent or minimise each biosecurity risk
- minimise the likelihood of causing a 'biosecurity event', and limit the consequences if such an event is caused.

The following conditions will apply to stock and vehicles moving on to the Mt Gravatt Showgrounds.

HORSE HEALTH DECLARATION/MOVEMENT RECORD

- On arrival all exhibitors must supply to the Ringmasters/Nominations Office with a Queensland Ag Shows Biosecurity Horse Health Declaration/Movement Record, Including PIC (Property Identification Number).

Exhibitors should be aware that clearing facilities at NSW/Queensland Border Crossings at Kirra/Tweed Heads and Mt Lindsay are not permanently staffed. Exhibitors should make prior arrangements with the respective Border Crossing Points before commencing their journey.

For further information call DAF Queensland: 13 25 23
